

The Homeschool Accreditation Program Is Ideal for Students Who:

- ✓ Have already purchased curriculum but are seeking accreditation and support
- ✓ Are seeking a homeschool community
- ✓ Are involved in a homeschool co-op or microschool that does not offer accreditation or support for outside classes
- ✓ Are enrolled in a college or university and need high school accreditation, transcripts, and homeschool support and expertise

When You Select Homeschool Accreditation, You Can Expect:

- 1** Freedom and flexibility to use the courses you love
- 2** A simplified process for submitting courses for approval (only necessary for courses not already appearing in our list of approved courses)
- 3** One-to-one support from a personal academic advisor for all things homeschooling
- 4** Ability to add on any and all Bridgeway Academy textbook, online, or live online courses (additional fee)
- 5** Ability to participate in student clubs (additional fee)
- 6** Enjoy special events, virtual field trips, and extracurricular activities
- 7** 24/7 access to parent and student online portals to upload course materials, track progress, use resources, sign up for clubs, and gain information on all things Bridgeway
- 8** Parent Educator training and resources

How it Works

When you enroll in Bridgeway's **Homeschool Accreditation** program, you enjoy all the freedom and flexibility you have come to love, along with full support and the peace of mind that comes from an internationally accredited program.

Upon enrollment, you will be assigned a personal academic advisor who will walk with you every step of the way. Your advisor provides one-on-one support for you and students, expertise in all things homeschooling, and guidance on best next steps as you move from one level to the next.

You also gain access to benchmark testing that gives you insight into where your student is today and their progress as they move through the school year. Get ready for a rewarding experience as you see just how quickly students progress when in the one-to-one environment of home education.

Our easy-to-use course approval process allows you to use the courses you have come to love while enjoying the benefits of a thriving homeschool community.

Your online portal makes it easy to submit student work; enter grades; view student progress; get active in Bridgeway Academy clubs, extracurricular activities, and special events; and access professional records as your students advance each year.

Upon course completion, final grades are added to a student's permanent record or transcript, which is easily accessed in your online portal. And upon graduation, your student receives a fully accredited transcript and diploma that opens doors to the future.
